

Master, OOW and crew for CTVs

MHO-Co

At MHO-Co we are expanding our fleet of CTVs and are looking for skilled colleagues to operate vessels and take care of our clients and passengers onboard.

We are looking for:

- Master (>500 GT)
- OOW
- AB
- Motorman

At MHO-Co we strive to create a positive work environment. It is important that you are qualified, professional and a good colleague. We prefer if you know your way around a CTV and have experience with the offshore wind industry.

We put safety first and you must always have courses and certifications updated. You are typically posted on the vessel four or eight weeks at a time.

About MHO-Co:

MHO-Co is an Esbjerg-based shipping company operating in an international world. Our crew transfer vessels are specially designed to

provide services to the offshore wind industry, and this summer we will introduce two new hybrid vessels.

All of our vessels are optimized for high performance and low fuel consumption to meet the demands for both sustainable and economically viable service.

We often operate in the North Sea and our ships are built to operate 365 days a year.
